Compare Plans & Cover

Package	Boiler Service	Boiler Repairs	System Controls	Central Heating System
Service Plan	✓	-	-	-
Boiler Care	✓	✓	✓	-
Total Care	✓	✓	✓	✓

What's Included

- Domestic properties only
- New for old parts
- Newer boilers that we have fitted have a set warranty from manufacturer and then we cover the rest of the system
- Discounted rates on labour
- Preferential attention on jobs that aren't covered
- Guaranteed next day attendance for Care Plan customers
- No limits to the amount of call outs (Max claim of £300.00 per call out, but no limits to the amount of call outs, customer can pay the difference of any extra work ie. powerflush would be £480.00, less £300.00, therefore cost to customer £180.00)
- Free parts and labour on all boilers/systems/controls that are covered (up to £300.00) depending on the level of cover taken

What's Excluded

- Commercial properties
- Removal of asbestos
- Customer inflicted accidental damage (ie nailed pipes)
- Customer requested modifications to a previous installation
- Work required due to decorating or DIY
- Power flushing
- Damage caused by improper use
- Scale or hard water damage
- Burst pipes due to freezing with inadequate lagging that we haven't installed
- Remedial work to correct pre-existing system/design faults
- Regulation changes forcing remedial work, i.e hatches for flues in voids
- Damage to property resulting from a leak caused by failure of parts or components (only the parts that are damaged/failed are covered)
- Electrical faults other than wiring we have carried out
